# Two Factor Authentication

mychart

Two Factor Authentication is available now. The activation code will go to your email address to begin this process. You can opt out of Two Factor Authentication or disable at any time through your MyChart security settings.
After logging in, you will be asked for a code. You can either check the box to **Skip this step next time** or click **Resend code**.

The code is received through your email.

Hello Directs!

When prompted, enter the code below to finish authenticating with MyChart.

455128

Your code will expire after 10 minutes

Didn't request this code from MyChart? If you continue to get these emails in error consider changing your password.

Enter the code to verify your identity.
