

An aerial photograph of the Fort Worth skyline at sunset. The sky is filled with soft, colorful clouds in shades of orange, yellow, and blue. A prominent rainbow arches across the sky from the left side towards the center. The city's skyline is visible, featuring several tall skyscrapers and a mix of modern and older buildings. In the foreground, a multi-lane highway with a distinctive white archway bridge structure crosses a green area with trees and a small body of water. The overall scene is vibrant and captures the beauty of the city during the 'golden hour' of sunset.

JPS Connection: Healthcare assistance that works for you!

Welcome to JPS Health Network. We look forward to providing affordable healthcare to you and your family. JPS Health Network offers financial assistance to eligible individuals. We serve the emergency healthcare needs of all patients, regardless of ability to pay. The purpose of the JPS Connection program is to create a healthier community by providing discounted health services to Tarrant County residents. Members have the benefit of a medical home – meaning you have a physician or nurse practitioner assigned to you and your family. You get access to preventative care – such as physicals and screenings that will help keep you healthy and out of the emergency room.

Determination of eligibility for JPS Connection is made based on a review of a completed application and supporting documents. The minimum requirements for assistance are: applicant must be a Tarrant County resident, a US Citizen or Legal Permanent Resident, meet income guidelines, and not be eligible for any State or Federal funded program.

The JPS Connection program offers assistance for services provided by JPS Health Network. Assistance may also be available for prior visits if you qualify. Patients and families will not be charged more for emergency or other medically necessary care than amounts generally billed to those patients who have insurance.

Applications are available at the Eligibility Centers, in all registration areas, and in the Emergency room. Applications can also be downloaded at JPSConnection.org. Translation services/arrangements are available upon request.

Inside this packet, you will find the application and the documentation requirements for our JPS Connection program. All items on the application must be completed. If not applicable, place either a 0 or N/A in each box. Bring the completed application and required documentation per the documentation checklist included in this packet with you to any of the financial screening locations throughout Tarrant County between the hours of 8 a.m. and 4:30 p.m. You may call our Eligibility Center at **817-702-1001** should you need assistance. Our staff members are happy to answer any questions you may have.

Applications are accepted by mail:

Membership Responsibilities for JPS Connection Indigent Healthcare Program

- JPS Connection is a tax-supported medical program offered to eligible Tarrant County residents. JPS Connection offers low cost medical care available only through JPS Health Network facilities. I understand that JPS Connection is not an insurance company or an insurance plan.
- I understand that the JPS Connection does not cover all of the services provided at JPS Health Network including, but not limited to dental, cosmetic procedures, maternity services, assisted reproductive technology, and transplants. Motor vehicle accidents are not covered by JPS Connection when there is the presence of other insurance. JPS Connection remains the payor of last resort for all services.
- I understand that if I am deemed eligible for state or federal assistance, pharmaceutical assistance programs, or insurance, I must comply with seeking that assistance before receiving any assistance from the JPS Connection Program. This includes any third party commercial insurance, Medicaid, VA benefits, and/or parts AB&D of Medicare. Failure to do so will make me ineligible for JPS Connection. Documentation provided to JPS Health Network will be used to apply for any coverage for which I may be potentially eligible.
- I authorize the Tarrant County Hospital District of Fort Worth to release any demographic and financial information requested by representatives, agents or intermediaries of local, state, or federal agencies; insurance companies; pharmaceutical assistance programs; or other organizations or entities as may be required by said representative for payment of claims arising from services provided under the JPS Connection Program.
- As a JPS Connection member, I understand I am responsible for the co-payments for services rendered. I have been provided a copy of the JPS Connection Co-pay Schedule.
- I am aware that when JPS Connection is used supplemental to another payor, I am responsible for all physician/professional fees, co-payments and any deductibles related to professional services rendered. This includes, but not limited to, Acclaim, UNT, Sheridan, RadCare, IES, or any other professional group you may receive bills from.
- As a JPS Connection member, I understand that I have an obligation to notify the Financial Screening department of JPS Health Network of any changes. I agree to inform the Financial Screening department of the JPS Health Network immediately of any changes in my Tarrant County residence, household income, family size, and insurance coverage. Failure to do so, may result in loss of membership benefits.
- I understand that the JPS Connection membership privileges are on a limited time basis. In order to continue receiving a discount on medical services through the JPS Connection program, it will be necessary to complete another financial screening at the end of my enrollment period. I understand I will be expected to pay all charges incurred after eligibility has expired.
- I acknowledge that should the JPS Health Network receive returned mail, from the mailing address I provided, that my JPS Connection membership privileges will be suspended pending further review.
- I understand that I am responsible for providing true and accurate documentation. If at any time false information is discovered, penalties may include, but are not limited to, loss of my membership benefits and the inability to reapply for the JPS Connection Indigent Healthcare Program for no less than a period of ninety (90) days.

1a Name shown on tax return. If a joint return, enter the name shown first.	1b First social security number on tax return, individual taxpayer identification number, or employer identification number (see instructions)
2a If a joint return, enter spouse's name shown on tax return.	2b Second social security number or individual taxpayer identification number if joint tax return
3 Current name, address (including apt., room, or suite no.), city, state, and ZIP code (see instructions)

6 Transcript requested. Enter the tax form number here (1040, 1065, 1120, etc.) and check the appropriate box below. Enter only one tax form number per request. ▶ _____

a Return Transcript, which includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120, Form 1120-A, Form 1120-H, Form 1120-L, and Form 1120S. Return transcripts are available for the current year and returns processed during the prior 3 processing years. Most requests will be processed within 10 business days

b Account Transcript, which contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns. Most requests will be processed within 10 business days

c Record of Account, which provides the most detailed information as it is a combination of the Return Transcript and the Account Transcript. Available for current year and 3 prior tax years. Most requests will be processed within 10 business days

7 Verification of Nonfiling, which is proof from the IRS that you **did not** file a return for the year. Current year requests are only available after June 15th. There are no availability restrictions on prior year requests. Most requests will be processed within 10 business days

8 Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript. The IRS can provide a transcript that includes data from these information returns. State or local information is not included with the Form W-2 information. The IRS may be able to provide this transcript information for up to 10 years. Information for the current year is generally not available until the year after it is filed with the IRS. For example, W-2 information for 2016, filed in 2017, will likely not be available from the IRS until 2018. If you need W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213. Most requests will be processed within 10 business days

Caution: If you need a copy of Form W-2 or Form 1099, you should first contact the payer. To get a copy of the Form W-2 or Form 1099 filed with your return, you must use Form 4506 and request a copy of your return, which includes all attachments.

9 Year or period requested. Enter the end date of the tax year or period requested in mm/dd/yyyy format. This may be a calendar year, fiscal year or quarter. Enter each quarter requested for quarterly returns. Example: Enter 12/31/2018 for a calendar year 2018 Form 1040 transcript.

Future Developments

For the latest information about Form 4506-T and its instructions, go to www.irs.gov/form4506t. Information about any recent developments affecting Form 4506-T (such as legislation enacted after we released it) will be posted on that page.

The filing location for the Form 4506-T has changed. **Please see Chart for individual transcripts or Chart for all other transcripts** for the correct mailing location.

What's New. As part of its ongoing efforts to protect taxpayer data, the Internal Revenue Service announced that in July 2019, it will stop all third-party mailings of requested transcripts. After this date masked Tax Transcripts will only be mailed to the taxpayer's address of record.

If a third-party is unable to accept a Tax Transcript mailed to the taxpayer, they may either contract with an existing IVES participant or become an IVES participant themselves. For additional information about the IVES program, go to www.irs.gov and search IVES.

General Instructions

Caution: Do not sign this form unless all applicable lines have been completed.

Purpose of form. Use Form 4506-T to request tax return information. Taxpayers using a tax year beginning in one calendar year and ending in the following year (fiscal tax year) must file Form 4506-T to request a return transcript.

Note: If you are unsure of which type of transcript you need, request the Record of Account, as it provides the most detailed information.

Customer File Number. The transcripts provided by the IRS have been modified to protect taxpayers' privacy. Transcripts only display partial personal information, such as the last four digits of the taxpayer's Social Security Number. Full financial and tax information, such as wages and taxable income, are shown on the transcript.

An optional Customer File Number field is available to use when requesting a transcript. This number will print on the transcript. See Line 5 instructions for specific requirements. The customer file number is an optional field and not required.

Tip. Use Form 4506, Request for Copy of Tax Return, to request copies of tax returns.

Automated transcript request. You can quickly request transcripts by using our automated self-help service tools. Please visit us at IRS.gov and click on "Get a Tax Transcript..." under "Tools" or call 1-800-908-9946.

Where to file. Mail or fax Form 4506-T to the address below for the state you lived in, or the state your business was in, when that return was filed. There are two address charts: one for individual transcripts (Form 1040 series and Form W-2) and one for all other transcripts.

If you are requesting more than one transcript or other product and the chart shows two different addresses, send your request to the address based on the address of your most recent return.

Line 1b. Enter your employer identification number (EIN) if your request relates to a business return. Otherwise, enter the first social security number (SSN) or your individual taxpayer identification number (ITIN) shown on the return. Line 3. Enter your current address. If you use a P.O. box, include it on this line.

Line 4. Enter the address shown on the last return filed if different from the address entered on line 3.

A bona fide shareholder of record owning 1 percent or more of the outstanding stock of the corporation may submit a Form 4506-T but must provide documentation to support the requester's right to receive the information.

Partnerships. Generally, Form 4506-T can be signed by any person who was a member of the partnership during any part of the tax period requested on line 9.

All others. See section 6103(e) if the taxpayer has died, is insolvent, is a dissolved corporation, or if a trustee, guardian, executor, receiver, or administrator is acting for the taxpayer.

Note: If you are Heir at law, Next of kin, or Beneficiary you must be able to establish a material interest in the estate or trust.
