

How to Use Pharmacy Services on MyChart

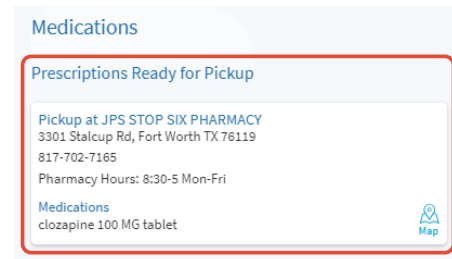

1

From the MyChart Menu on **"Your Menu,"** click on **"Medications"** under the **"My Record"** section.

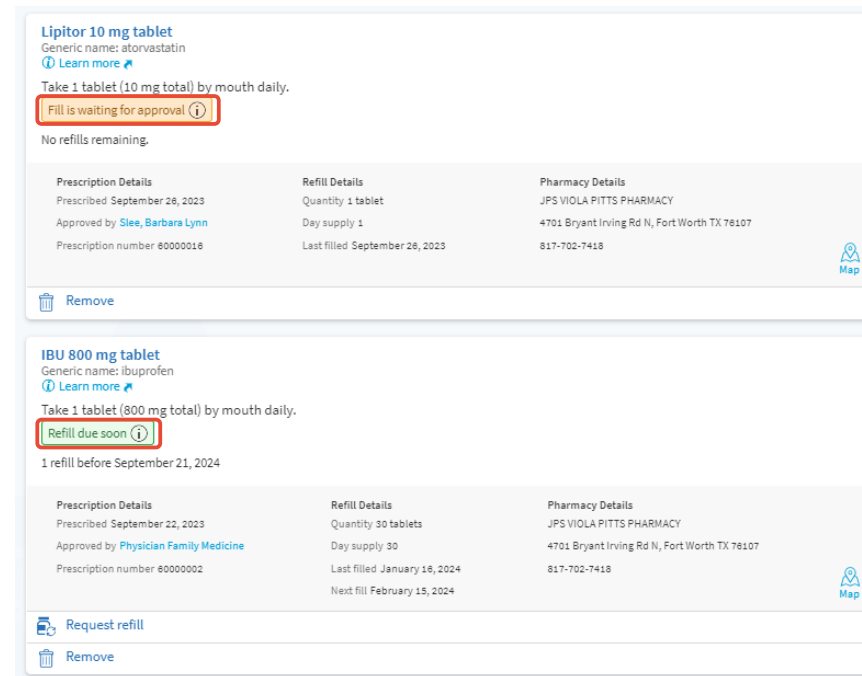

2

Prescriptions ready for pickup will appear under **"Prescriptions Ready for Pickup."**

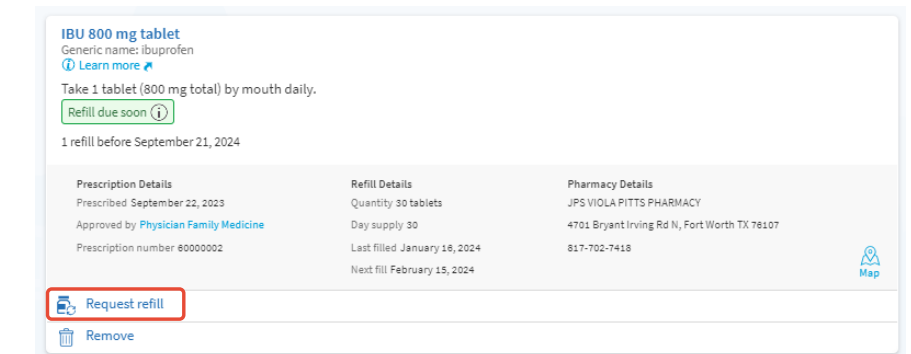

3

Under **"Current Medications,"** additional notes can be viewed for each medication.
Ex: *Fill is waiting for approval/Refill due soon.*

4

To request a refill click on **"Request refill"** under a specific medication or click the green **"Request refills"** button at the top of the page.

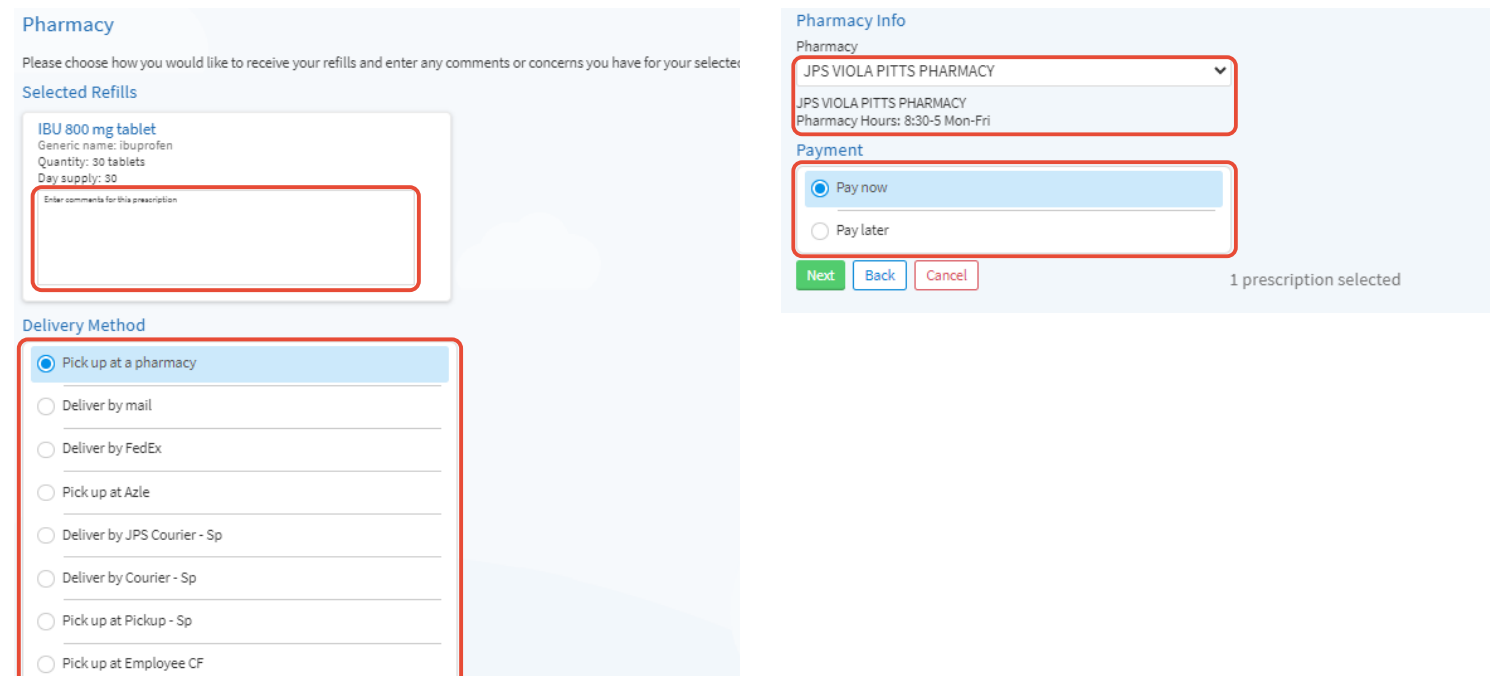

5

Next, you're brought to a page where you can select any additional eligible medications you'd like to request a refill on. Click **"Next"** when ready to continue.

6

You may enter any notes about your medications refill, how you would like to receive your medication, which pharmacy you use (notice pharmacy hours will be listed), and if you would like to pay now or pay later.
*Note: You're card will not be charged until your medication has been dispensed.

7

Once the medication is ready, you will receive a notification letting you know.
