Virtual Urgent Care Visits

JPS offers virtual video visits through MyChart. Skip the waiting room and see your doctor from the comfort of your home.

Virtual Urgent Care visits are meant to treat minor illnesses that need immediate care. Some common conditions are allergies, common cold, flu, minor burns or cuts, strains or sprains, rashes, and infections.

Virtual Urgent Care Hours

Monday - Friday 10 a.m. - 8 p.m.

Sunday Noon - 6 p.m.

Regular Visits with Your Doctor

For non-urgent visits with your doctor, like check-ups and follow-up visits, visit jpshealthnet.org/locations to schedule an appointment at a JPS clinic near you.

For virtual video visits, schedule an appointment through your JPS MyChart account. To complete a virtual video visit, you will need a smartphone or computer with a camera. to see a doctor during your virtual urgent care visit.

Scan here to sign up for a free MyChart account at jpsmychart.jpshealth.org.
