

Is it delivery time?

Labor & Delivery

1500 S. Main Street, 2nd Floor
Fort Worth, TX 76104

Park in the garage off Allen Avenue and St. Louis Avenue. Enter through the main entrance (next to the garage) of John Peter Smith Hospital and walk down the hallway to the orange elevators (across from the Gift Shop). Take those elevators to Labor and Delivery on the second floor.

OB Triage is a dedicated place for urgent and emergency care for pregnant women before, during and after childbirth. A nurse will examine you to check your condition and your baby's condition. Then you will either be admitted to the Labor and Delivery unit or discharged with instructions on when to call and/or return.

Call **9-1-1** in an emergency.
